**CURRENT COMMENT**

The Edmonton Journal is doing good work in pointing out the mistakes of the Government. The man that can control these things is the man that can control the country. It is not to be expected that the Government will do this. It is not to be expected that the Government will do this. It is not to be expected that the Government will do this.

The first three mentioned bids on the forms supplied by the Government, property listed, each offer accompanied by an accepted cheque. The Burrows' tender appears to have been accompanied by two cheques drawn upon the Bank of Ottawa, one for \$5,000 and the other for \$500. Had the first cheque been for \$5,000, the second cheque alone had exceeded D. R. Fraser & Co. would have obtained the limit for \$5,015, the addition of the second \$500 cheque gave Burrows the berth.

On the same day, apparently there are mistakes on that they had one at least five cheques for varying amounts, namely \$5,000, \$5,000, \$5,000, \$5,000 and \$5,000. These cheques appear to have all been drawn upon the Bank of Ottawa. The Committee examined Mr. Fraser, local manager of this bank, but when the questions were put as to whether these cheques were on that date charged and in what order, the majority of the committee would not allow the witness to answer. This evidence being deemed essential and having been refused, the Opposition closed their case.

That languid, listless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, rundown nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The life of winter nearly always hangs on sloughy bowels and to sluggish circulation in general. ## Unwritten Law

Ottawa, May 22.—Senator J. Macdonald asked the government yesterday if it had acted upon his suggestion that former governor-generals of Canada be invited to visit the Dominion at the time of the Quebec celebration. Hon. Scott, in reply, said there was an unwritten law, but one which had never been broken, that a governor-general should never visit Canada after his term had expired. The reason for this was that coming unofficially he would have to take a much lower place than he formerly occupied and give precedence to those whom he ranked when governor-general. The government therefore, had not acted on Senator Macdonald's suggestion.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine Wis. Remember it is made expressly and alone for swollen painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by all druggists.

## THE BRYAN CAMPAIGN

Lansing, Mich., May 22.—The Democratic state convention has instructed its delegates to Denver in favor of Bryan. The defeat of the national committeeman, Campaign, was marked by the withdrawal of his delegation. This was the thrilling climax to the bitter party strife in the state.

Harrisburg, Pa., May 22.—A resolution instructing Allegheny delegation to Denver in favor of Bryan, was defeated by a vote of 187 to 123. Outcries were in the majority and the delegates thought uncontrived went solemnly anti-Bryan.

## SIGN OF A GOOD SHOE STORE.

THE "Sign of the Slate," hung in front of any Shoe Store is sure testimony to four significant facts.

1st—that store is the most reliable in that town or it couldn't get the agency for "The Slater Shoe."

2nd—that it pays its bills promptly, in cash every thirty days, or it couldn't hold "The Slater Shoe" Agency.

3d—that it is satisfied with a reasonable profit on goods or it wouldn't be selling "The Slater Shoe," which is price-controlled by the Makers.

4th—that it sincerely intends to give the best value possible, and to deal "squarely" with its customers every time, or it wouldn't have signed such a contract as must be signed to control "The Slater Shoe."

Whether you buy Slater Shoes or not, a safe place to trade is at the store where swings "The Sign of the Slate"—for the four reasons given. The genuine Slater Shoe has the slate frame brand stamped, with the Makers' price (\$4.50 or \$5.00) on the lining.
